

Dental Assistant

Course Overview

This 280-hour course (200 hours of classroom/lab time and 80 hours of externship) prepares students to perform chair-side assistance to the dentist using four-handed dentistry technique. Additionally, students will be oriented to dental related anatomy and physiology, lab equipment, and preventative/restorative dentistry. Upon completion of the course students will be equipped to take the exam to become a Registered Dental Assistant with the State of Arkansas. Students will also have the chance to learn and perform Dental Radiography, Coronal Polishing, Administration/Monitoring of Nitrous Oxide in the State of Arkansas.

Payment Plans / Financial Assistance

Tuition is due before class begins; however, if desired, students may pay 50% of their tuition before beginning class and the remaining balance mid-way through class. There will be a 2% additional charge added to the tuition if using this payment plan. Please contact the admissions office for information on financial assistance.

Required Text

- Essentials of Dental Assisting 6th Ed., Testbook & Textbook & Workbook with Dental Instrument, a Pocket Guide, by Debbie S. Robinson and Doni L. Bird

NOTE: Students need to be prepared for an externship assignment following their class. This may mean time off from work and/or the need to have a flu shot, criminal background check and a drug screen. It is highly recommended these issues are addressed before your last two weeks of class.
